

2023 ANNUAL CONFERENCE SPONSORSHIP OPPORTUNITIES

ABOUT THE KEYSTONE SPACE COLLABORATIVE

The Keystone tri-state region has a long legacy as a home for important space missions, technology development and manufacturing, and space innovation. Recognizing the importance of space to the region and the nation's future, the Keystone Space Collaborative was formed to attract, grow and, amplify the Ohio, Pennsylvania, and West Virginia region's space ecosystem.

We are a proud, non-profit organization serving as a voice for the space industry and community, while connecting and expanding the next generation of space industry businesses and talent in the region.

WHY SPONSOR?

Industry, academia, manufacturers, government entities, start-ups, suppliers, and others choose to support Keystone Space events because they:

- Recognize that OH, PA, and WV is a region rich with entrepreneurial innovations focused on the space industry
- Support the focus on regional economic growth and outreach to the tri-state space community
- Strive to increase the visibility of OH, PA, and WV entities as key contributors to the future of space exploration, manufacturing, and communications
- Contribute to the sustainability efforts of Keystone Space by supporting the 501(c)(3) charitable, non-profit organization with a donation

SPONSORSHIP OPPORTUNITIES

Event sponsorship opportunities can be used to build company recognition. Keystone Space supporters have the opportunity to exhibit, contribute, participate, build recognition, and heighten company/industry/university visibility with speakers, panels, lectures, meals, and networking event receptions that are offered with event sponsorships.

Event sponsorship opportunities are fulfilled on a first-paid, first-assigned basis. Sponsorship commitment forms and payments must be received at Info@KeystoneSpace.org by **MAY 1, 2023 in order to be included in the marketing materials for the 2023 Keystone Space Annual Conference.**
