

KEYSTONE SPACE COLLABORATIVE SPONSORSHIP OPPORTUNITIES

Annual Sponsorship Opportunities

Annual sponsorships provide the Keystone Space Collaborative a strong foundation of support for our important non-profit mission. By becoming an annual sponsor, your organization can help build awareness, foundational support of the regional space ecosystem, and firmly associate your company with this important advocacy, education and networking-focused Collaborative.

Our annual sponsors believe in our mission and demonstrate their commitment to our efforts through funding that directly supports the region's burgeoning space community. In addition to event-specific sponsorship opportunities, which are identified separately, annual sponsors benefit from ongoing association with our activities and events throughout the year.

Please contact the Keystone Space Collaborative at Info@KeystoneSpace.org for more information about annual sponsorship opportunities.
